

Surface Treatments Selector

L'outil expert en traitements de surface

"Dry" coatings
"Wet" coatings
Acrylic paints
Al PVD
Al, Ag chemical plating
Al, Ag PVD
Al, Cr, Ni, Cu, Au PVD
Al₂O₃ PVD
Alkaline oxydizing
Alkyl paints
Alumina CVD
Alumina spray coating
Aluminium chromating
Aluminium chromic anodizing
Aluminium chromizing
Aluminium CVD
Aluminium diffusion
Aluminium hard anodizing
Aluminium patinas
Aluminium phosphate coating
Aluminium phosphoric anodizing
Aluminium spray coating
Aluminium sulphuric anodizing
Aluminizing
Anodizing
Austenitic Cr-Mn steels weld surfacing
Austenitic irons weld surfacing
Austenitic Mn steels weld surfacing
Austenitic stainless steels weld surfacing
Bond coatings
Boriding
Boron CVD
Brass chromating
Bulk treatment + sulphating
Burnishing
Carbon cementation
Carbon cementation + sulphating
Carbonitriding
Ceramics spray coating
Cermets spray coating
Chemical conversion
Chemical plating
Chemical vapor deposition (CVD)
Chromating
Chromic oxide spray coating
Chromium & manganese steels spray coating
Chromium carbide spray coating
Chromium electroplating
Chromium on (stainless steels or aluminium alloys) CVD
Chromium on (W, Ni, Fe) CVD
Chromium on high carbon steels CVD
Chromium on low carbon steels CVD
Chromium spray coating
Chromizing
Coatings
Cobalt alloys spray coating
Cobalt alloys weld surfacing
Cobalt electroplating
Conversion coatings
Copper alloys spray coating
Copper alloys weld surfacing
Copper chemical plating
Copper chromating
Copper electroplating
Copper oxydizing
Copper phosphate coating
Copper-tin electroplating
Cr₂O₃, Al₂O₃ + TiO₂ spray coating
Cr-B paste weld surfacing
Cutting-torch melting
Diamond & diamond-like CVD
Diffusion coatings
Electrolytic coating
Electrolytic conversion
Enameling
Epoxy coating
Epoxydic paints
EVA coating
Ferrous alloys spray coatings
Gold chemical plating
Gold electroplating
Hammering
Hard chromizing
HDPE coating
High chromium austenitic irons weld surfacing
High chromium complex irons weld surfacing
High chromium martensitic irons weld surfacing
High speed steels weld surfacing
Hot-dip tinning
Immersion galvanizing
Immersion plating
Induction melting
In₂O₃, SnO PVD
Inorganic coatings
Insulator coatings PVD
Interference filter PVD coatings
Iron oxydizing
Iron phosphate coating
Irons weld surfacing
Laser melting
LDPE coating
Lead alloys spray coating
Lead electroplating

Surface Treatments Selector

L'outil expert en traitements de surface

A faint, semi-transparent image of a hand holding a pen, pointing towards the list of surface treatments. The hand is positioned in the center-right of the page, with the pen tip pointing towards the text.

Lead spray coating
Leading
Low alloys steels weld surfacing
Lubrificant coatings PVD
Magnesium alloys anodizing
Magnesium chromating
Magnesium zirconate spray coating
Manganese CVD
Martensitic chromium steels weld surfacing
Martensitic irons weld surfacing
Martensitic steel spray coating
M-CrAlY PVD
Mechanical structural modifications
Metal carbides spray coating
Metal diffusion
Metal spray coating
Metallisation PVD
Metalloid diffusion
MgF₂ PVD
Mild steels spray coating
Molybdenum spray coating
MTP coating
Ni/Al spray coating
Nickel alloys spray coatings
Nickel alloys weld surfacing
Nickel chemical plating
Nickel chromating
Nickel electroplating
Nickel phosphate coating
Nickel spray coating
Ni-Co spray coating
Ni-Cr spray coating
NiCrAlY, CoCrAlY spray coating
Ni-Cr-B weld surfacing
Ni-Cr-B-Si spray coating
Ni-Cr-B-Si/M spray coating
Ni-Cr-B-Si-Co-Mo spray coating
Ni-Cr-Fe spray coating
Ni-Cr-Mo-W spray coating
Ni-Mo-Cr-W weld surfacing
Ni-Mo-Fe weld surfacing
Ni-SiC chemical plating
Ni-SiC electroplating
Nitriding
Nitriding + sulphating
Nobium carbide spray coating
Nylon coating
Olefinic coating
Organic coatings
PA/PEC coating
Paints
Patinas
PEEK coating
Phenolics coating
Phosphate coating
Physical vapor deposition (PVD)
Pigmenting patinas
Platinum spray coating
Polishing
Polyester coating
Polymer coatings
Polypropylene coating
Polyurethane paints
PVC coating
Reflecting multilayer coatings PVD
Rubber paints
Salt bath
Sanding
Shootblasting
Silicium carbide CVD
Silicium CVD
Silicium diffusion
Silver spray coating
SiO₂ CVD
Stainless steel chromating
Stainless steel oxalation
Stainless steel oxydizing
Stainless steels spray coating
Steels weld surfacing
Structural modifications
Sulphating
Surface hardening
Surface hardening + sulphating
Thermal spray
Thermal structural modifications
Thermoplastics coatings
Thermosets coatings
Thick chromium electroplating
Thick nickel electroplating
Thin chromium electroplating
Thin nickel electroplating
Tin electroplating
TiN PVD
Tin spray coating
Tin-Lead immersion coating
Tin-Nickel electroplating
TiO₂-Ag, Cd-Sn-Ox, SnO₂-Cr(N) PVD
Titanium carbide CVD
Titanium carbide spray coating
Titanium diffusion
Titanium nitride CVD
Titanium oxyde spray coating
